

Once again, the arrival of August invites us to experience one of the most anticipated moments of the year: the Festes de Sant Bartomeu. Days in which Sòller is filled with festivities, culture and traditions to honor our patron saint. Days that we must take advantage of to bring the town together and to show the pride we feel in being Sollerica and Sollerica.

These festivities are much more than a program of activities: they are the celebration of our patron saint, our history and our identity. They are days to reunite with family, friends and neighbors, share moments together and fill the streets with life enjoying a program that reflects the love we feel for our roots and the desire to keep our legacy alive.

The Department of Festivities, with the involvement of numerous entities, associations and volunteers, has prepared a program designed so that everyone can find their space: music, culture, children's activities, sports, shows and, of course, those more traditional events that are part of our essence.

I invite you to participate with enthusiasm, to fill the streets with coexistence and a good atmosphere, and to enjoy every moment with respect, responsibility and love for our people.

I would like to express my most sincere gratitude to all the people who, with their dedication and effort, make these festivities possible: to municipal workers, to the security and emergency services, to the collaborating entities and associations, to the volunteers and to all those who, in one way or another, contribute to ensuring that Sant Bartomeu continues to be a celebration that we can be happy about.

I hope that we will experience holidays full of good moments and shared memories, because it is these small, great experiences that reinforce the feeling of belonging and make our community grow.

Allow me to end with a sincere thank you to all the people who have shown me their affection, support and trust in these months. This human warmth encourages me to continue working with the same enthusiasm and commitment, with the hope of being able to wish you a very happy Sant Bartomeu holiday next year.

Happy Holidays to everyone!
Long Live Saint Bartholomew and
long live Sòller!

Mayor of Sòller

RECOMMENDATIONS FOR SAFETY FOR THE CORREFOC

FOR THE PUBLIC AND PARTICIPANTS:

- Wear cotton clothes, preferably old, with long sleeves and pants.
- Protect your head with a hat and cover the back of your neck with a cotton scarf.
- Protect your eyes.
- Wear suitable footwear (sports, mountain).
- Be sure to cover your ears to reduce the noise of the pyrotechnic explosions.
- Obey the instructions of the public order services, health and the organizers.
- Respect the fire figures, their carriers and the musicians.
- Follow the instructions of the demons at all times.
- Before starting, find out about the route of the correfoc and the health care points.
- In the event of suffering burns, go immediately to the health care points.
- In case of danger, follow the instructions of the demons.
- Take care of children, it is not recommended to carry them on your shoulders since the fire is at eye level. Do not bring strollers into the correfoc area.
- Do not ask neighbors for water or throw it at them, this will prevent slips and the gunpowder from splashing and exploding instead of burning.

FOR NEIGHBOURS AND BUSINESSES:

- To avoid accidents, remove from the street any obstacle that may obstruct the correfoc route, such as flower pots, garbage bags, tables, chairs, etc.
- Remove vehicles from the area where the correfoc will pass to avoid damage to vehicles.
- Close doors, windows and balconies and protect openings to prevent the entry of rockets and sparks that could cause a fire.
- Protect the glass of windows, doors and shop windows with cardboard.
- Roll up all awnings and parasols in homes and businesses.
- No matter how much the participants in the correfoc ask you for water to reduce the heat,
- do not throw it away, you will avoid skidding and the gunpowder will bathe and explode instead of burning.
